

Expert faculty at your fingertips

A place where you can have a virtual 1:1 connection with our select faculty to discuss the safe and effective use of our products and procedures.

Personal, virtual consultations

- 1-on-1 and group sessions available
- Sessions geared towards your educational goals
- An easy way to follow up after a course

Finding the Right Faculty for you

- View faculty bios that help you decide the best match for you
- Filter faculty by specialty, procedures, and products to narrow your search
- Connect with your faculty pre and post case to access their expert insight

Easy to use platform

- Gain access to the platform straight from your email
- Keep track of upcoming sessions effortlessly on your dashboard
- Join sessions easily from the platform or your emailed link

Unmatched convenience

- Browse faculty availability to find the best time to meet
- No matching slots? Request 3 time slots sent straight to the faculty's email
- Sessions can be accessed anytime, anywhere from laptops or mobile devices

Thousands of HCPs, 4.97 of 5 rating

“I was able to learn skills I wouldn't have otherwise been able to learn.”
- Learner Clinician

“I feel so much more informed and confident.” - Learner Clinician

“Fantastic information and I enjoyed being one on one.” - Learner Clinician
